

Jacquelyn Cutts

MEMBERSHIP CHAIR

Jacquelyn Cutts serves as the third Membership Chair for I AM WOC, bringing the powerful “Each One, Reach One” strategy to life through intentional engagement and outreach. She played a key role in strengthening membership visibility by securing branded materials—including T-shirts, pens, pins, notebooks, and tote bags—featuring the organization’s signature message.

Jacquelyn is also the designer of the current I AM WOC logo, symbolized by a purple globe embraced by outstretched arms, representing the organization’s inclusive service and global reach. Through focused leadership, she led a deliberate membership campaign aimed at recruiting individuals with the skills needed to address critical organizational needs.

Her military career began as a Supply Sergeant in an aviation unit, followed by assignments in Air Defense Artillery, where she expanded her logistics and operational expertise. Selected as a Drill Sergeant, Jacquelyn mentored and shaped new soldiers during their most formative training experiences.

Following military retirement, Jacquelyn continued her commitment to service as an Operations Supervisor working with at-risk youth, overseeing programs, managing staff, and supporting positive development through structured intervention strategies.

With a lifelong commitment to empowerment, mentorship, and service, Jacquelyn Cutts is exceptionally suited to serve as Membership Chair and to help I AM WOC continue “Facing the Future Together.”
